# 2012 Goals

1. Maintain a strategy for county wide chipping of hazardous fuels
2. Develop and Organize Fire Safe Seminars
3. Implement the FSC marketing plan to communicate the message of the Fire Safe Council.
4. Conduct fire safety days throughout the county
5. Prepare and distribute “Living with Fire” fire safety education publication
6. Support the preparation of Evacuation Plans for communities within the county.
7. Support implementation of Ready, Set, Go! Preparedness programs.
8. Support the design and construction of additional Fire Safe Signs.
